TROYMARKET.ORG/MAP

HELD EVERY SATURDAY, YEAR-ROUND, THE TROY WATERFRONT FARMERS MARKET IS ONE OF THE MOST POPULAR ATTRACTIONS IN NEW YORK'S CAPITAL REGION.

From May through October, the market transforms the heart of downtown Troy into an open-air street festival that could easily pass for a scene in Europe. From November through April, the Market moves indoors.

The Troy Waterfront Farmers Market routinely receives "Best of" accolades by regional media and in reader polls.
